HF Industries Partners with GoGetta to Offer the Industry More Flexible Purchase Options!

HF Industries pleased to announce a new partnership with GoGetta Equipment Funding which will allow our commercial clients to ultimate flexibility of 'Rent-Try-Buy'.

In today's uncertain economic climate, purchases of thousands of dollars worth of equipment are becoming more difficult, finance is becoming harder to obtain and many are choosing to hang on to their money while they are so unsure of what tomorrow will bring.

GoGetta Equipment Funding offers a purchase solution that is particularly pertinent and comforting in these troubled times – Rent-Try-Buy!

Unique to the marketplace, the Rent-Try-Buy® Solution allows you to save your hard-earned working capital – rather than spending it on depreciating assets. And if you exercise your option to buy, we reduce your purchase price by 75% of the rent you've already paid. Who says you can't make your rental dollars work for you?

GoGetta Equipment Funding is available to all HF Industries commercial clients on purchase amounts greater than \$2,000 (subject to client approval by GoGetta). Approval can be obtained in just minutes over the phone, putting you on your way to getting your equipment faster, and with less hassle!

Contact the HF Sales Department on 1800 633 009 for more information!
